This application is in condition for allowance except for the following formal matters:

Claim 19 depends from claims 4 to 6 which have been cancelled.

It appears as if in line 2 of claim 21 “the” should be changed to –a—in order to provide proper antecedent basis for the recited element.

Claims 22-24 refer to “the swiveling spindle (18)”. Claim 13 recites “the swiveling shaft (18)”. Thus, it is unclear if a shaft or a spindle is being claimed.

The remaining claims should be checked for proper antecedent basis for their recited elements.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm’r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Claims 13-25 are allowed.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
